

Thank you for your willingness to help **Project Undercover**! Our organization is committed to the idea that every kid has the right to a clean, dry bottom, and the generosity of people like you helps us achieve that. We provide diapers, socks, underwear, and baby wipes to help the approximately 45,000 children throughout Rhode Island living in poverty.

Diaper need, or the struggle to provide clean, dry diapers for all babies, is a problem for families throughout Rhode Island, but the good news is that diaper need is a problem that can be solved. With just a little effort, you can make a real impact on the lives of Rhode Island families. Community-based diaper drives are an easy, effective way to help.

We truly appreciate your willingness to organize a drive on our behalf, and we want to make it as easy as possible for you. That's why we've assembled this handy kit to get you started. It contains all the materials you'll need to plan, execute, and promote your drive, including instructions, talking points, graphics, and more. We're excited to provide the information and inspiration you need to run a successful diaper drive.

Please feel free to contact us at 401-773-4250 or info@projectundercover.org if you have any questions now or along the way. Good luck with your drive!

Sincerely,
Richard Fleischer
President/Founder
